**Friday, March 28, 2025:** Exhibit installation from 10 am to 4 pm. If needed, installation may continue on Saturday, March 30 between 1 and 4 pm

**Opening Reception, Sunday, March 30, 2 pm:** (Doors open at 1 pm). It would be wonderful to have as many participating artists as possible present at our opening. Hope you can make it. If possible, exhibit artists are asked to bring something to contribute to the reception table on opening day. This could be anything from fruit or veggies, dip, meat, cheese, crackers, or baked goods. If you are making something homemade, a small card must be filled out upon delivery to the kitchen as per our AHS permit. Store bought items must arrive in the original packaging. Our volunteers will clean and cut any items as needed.

**Thursday, April 24:** The exhibit comes down between noon and 4 pm. We have limited storage space and ask that you collect unsold & "Not for Sale" items as soon as possible.

**And finally, we ask that you do what you can to promote the exhibit to friends and family.**

Feel free to write on the back or email us with any stories or information you wish to include about your piece(s) on the label. One constant question from guests over the years has been how long some of the quilts have taken to make.
