PLEASE READ CAREFULLY

1. Guidelines

This is a mixed medium show; we will accept painting, photography, sculpture, jewelry, glass etc. as long as they are truly miniature pieces. **For paintings and photography:** The maximum size allowed is 80 square inches, (8" x 10" or less) This includes the frame if it is framed. Unframed work can be the full 80 square inches.

Please ensure your work has PROPER HANGERS and can be easily hung. WIRE HANGERS ARE A MUST FOR UNFRAMED CANVASES, and are preferred for framed art also.

We have limited the number of hangable paintings to 5 per artist. This does not apply to jewelry, cards, mini sculptures, and other table top items.

2. Inventory Form, Coding and Price Labels

Your artwork MUST be accompanied by the attached form when you bring it to the Beaverlodge Art and Culture Centre. Please feel free to copy it as required.

Give each piece a code. We suggest using your initials and number of the piece. (XX-01, XX-02, and so on.) Please attach a visible label with price and code on the front of the artwork.

Please read the conditions of sale, and sign and date the form. Please email a copy of your completed form to coralierycroft@gmail.com and also make sure a copy is included with your artwork when you drop it off.

3. To Make Hanging Easier for Us

Clearly identify each painting on the **back** with the title of the piece and your name. This helps us keep track of things while hanging and taking down the show. Some very small pieces such as sculptures etc. may not have room but identify things as best you can.

WIRE HANGERS ARE A MUST FOR UNFRAMED CANVASES, and are preferred for framed art also. Please make sure art can be easily hung. We really appreciate it!

WE NO LONGER REQUIRE PHOTOS OF YOUR ARTWORK.
