

32nd Annual Quilt Show

Beaverlodge Art and Culture Centre

March 30 to April 24, 2025

Quilt Guidelines

- 1.) We invite all local area quilters to submit works of wall hangings, table runners, pillow, bags, bed quilts up to queen size, lap quilts, and other quilted creations. Limit **ONE** large piece per contributor
- 2.) All show contributors **MUST** complete an agreement that is submitted to BACS by **March 4, 2025**. This is the information we will be using to prepare our printed labels and inventory sheets. Please include the name of your quilt and the Retail Price.
- 3.) Items may be “Not for Sale” or available for purchase.
- 4.) Vintage quilts have been popular in years past. If you own an heirloom quilt, consider displaying it in the show. You may include any story / history and we will do our best to display it.
- 5.) All quilts will be displayed in an attractive manner, however, if wall space does not allow all to be full front, some may be folded on display.
- 6.) This is one of the most popular exhibits at BACS. Guests come from all across the Peace Country to see the quilts. Thank you for participating!

Labeling Your Quilts

Please fill out **TWO** (2) labels for each quilted piece you are submitting. Attach one to the quilt with a safety pin and tape the other one to the outside of the plastic bag in which you are transporting your quilted piece. **THIS MUST BE DONE FOR EACH ITEM**. Please do not use black garbage bags.

Deadline

Items to be included in the show must be at the Beaverlodge Art & Culture Centre or Around the Block **NO LATER THAN 4 PM Tuesday, March 25, 2025**. BACS does not have a lot of extra storage space, so please do not bring in prior to Tuesday March 18.

Pop Up Sale Table (optional)

If you have any modestly priced items (\$25 or less) for the sales table, please include them on your registration form and during your drop off. Examples include hot pads, placements, mug rugs, baby bibs, little purses, pincushions, etc. The sky is the limit! Items may be donated to BACS or sold on commission. Unsold items on commission will be returned to you. Unsold items donated to BACS will move to the Gift Shop

The Quilt community has decided to do another door prize draw this year. Last year we were asked many times about having a “People’s Choice” vote for their favorite piece. We will create a ballot where guests can put their contact information for the draw and/or vote for their favorite which will be tallied at the end.
